

# DUBAI CREEK GOLF & YACHT CLUB

YOUR ABILITY TO VISUALIZE THE SWING BEGINS HERE

DUBAI

Asia is the largest and most populous continent in the world, with approximately four and a half billion people. There are tons of amazing golf courses here.

When we think of the best courses in the world, people always think of golf courses that are broadcasted on the PGA Tour on the TV. Courses like the Augusta National, Pebble Beach, St. Andrews. However, there are some truly magnificent golf courses that are hidden as well.

Dominating Dubai's enchanting waterfront, the **Dubai Creek Golf & Yacht Club** overlooks the Creek and Marina. Dubai Creek Golf & Yacht Club opened in January 1993 to world acclaim and since then it has been host to numerous tournaments and events, including the Dubai Desert Classic on two occasions. The course record of 63 is jointly held by Lee Westwood and Darren Clarke.

A round of golf at the sporting oasis in the heart of the city has a distinct aura of a delightful journey across the fabled landscape of Dubai, a city that thrives in all seasons. Well-groomed fairways lined with date palms and coconut trees, attractive water hazards and shrubbery lends a tropical air to the Club's 18-hole, par-71 championship course that rolls into thousands of undulating yards.

The majestic Clubhouse - its design mirroring the sails of the traditional Arab dhow - has been one of the most photographed landmarks since it opened in 1993, capturing the essence of Dubai's seafaring traditions and presenting the perfect fusion of heritage with modernity and style.

Honored to have been awarded not just one but four categories in the @worldgolfawards

- United Arab Emirates' Best Golf Hotel
